ALWAYS DRIVEN BY ENERGY AND BRAND NEW IDEAS, SOULSTAR PLAYS A POWERFULL MIX OF ROCK, POP & ELECTRO AND PRODUCES AN ONGOING STREAM OF MUSIC, VIDEOS, GRAPHIC ARTS & MIND-BLOWING LIVE PERFORMANCES.

After their first succesfull EP 'Bringing The Funk Into The Future Baby' Soulstar recently released their first succesful video titled "Feed The Machine".

This video is fully handdrawn, directed & produced by Soulstar and features the one and only NYC Rev. Billy from the Church of Life After Shopping. His anti consumer message supports Soulstars' song "Feed The Machine", that speaks about a consumer society going hay wire.

At the moment Soulstar is working on 2 brand new (animated) videos called 'Face The Music' & 'Most of All' and should be released in the autumn of 2010.

MUSIC / ELECTRO / SEX / FUTURE BLUES / GRAPHIC / CHAOS / LOVE / TRANCE FUNK / PEACE & HAPPINESS / SOUL

But hey, what about some music? Well, Soulstar is currently finishing their second EP called 'Face The Music' which features 6 brand new, energetic & original songs. They're fired up & ready to hit the stage, with fresh songs, powerfull line up & brand new videos.

So, are you ready?
